PC:

The petitioner challenges the holding of fresh interviews for allotments of retailership by Indian Oil Corporation Ltd. The petitioner who was earlier selected makes a

grievance about it on the ground that it is possibly ordered to unseat him from the position of No.1 which he has acquired already. This is an anticipatory injury. The petitioner is also invited for the interviews tomorrow. All these allegations can be made in the event of selection resulting against the petitioner. Since that remedy at that time is open to the petitioner we see no reason to interfere. Hence petition rejected.
